Following are the records of the various teams of the inter-state league for the week ending Saturday, August 26, and it will be noted Wheeling's record was eclipsed only by Fort Wayne:

BASE BALL COMMENT.

Wheeling's ball club is enjoying a needed two days' rest. It was intended if possible to open the Toledo series this afternoon, instead of having a double-header on Friday, but Manager Lytle was unable to make this arrangement with the Toledo club, consequently the first game of the series will be played to-morrow afternoon.

The inter-state race continues very exciting. Fort Wayne again overwhelmingly defeated Youngstown, making it four straight, and Glasscock's team retains its slender lead in the race. Toledo won and is but four points behind. Mansfield is close up in third position. Toledo's defeat of New Castle gives the latter team a slight setback, but the Quakers still have an elegant opportunity to win out through their long stretch of games at home.

Good boy, Glasscock! Keep up the good work—until you strike Wheeling. Then we'll have to trim you for three straight, old boy.

Pittsburgh finally got in the game yesterday and won a close one from Hanlon's Superbas. Still the leaders are away ahead and seem to have a lead pipe claim to the rag in the big league.

Another defeat and Cleveland will have reached the "100" mark.

Wells or Parvin will likely pitch in to-morrow's game against the Toledo team.

Donahue says he is only loaned to Wheeling, at least so Armour gave him to understand. The Wheeling management, on the other hand, assert that Dayton has no claim on the young catcher.

Springfield is about due to win a game. Perhaps they will take it out on the poor old Youngtowns.

A month ago, when the Intelligencer proposed a double season President Guengerich wired that he was willing to divide the season, but that his team would win out anyway. Doose McAlister fall heir to that wonderful and fearful prediction?

Not two papers in the circuit have the same standing of clubs. About the worst in the bunch is that appearing in the Toledo Commercial, which has a total of 468 victories and but 453 defeats. Of course, there must be as many wins and losses. The Commercial's is a blundering way of showing the Mud Hens ahead when they aren't ahead at all.

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's Progressive Neighbor.

All the families that have been spending the summer at "Camp Rest," the resort that has made itself so popular along the Ohio river for the past four years, moved to their winter quarters in this city yesterday. All the inhabitants declare that a summer's vacation at the sea shore is not to be compared with camp life at the beautiful camping grounds above this city. Visitors were numerous this season, about 500 in number having visited this camp during the past three months. People from the Atlantic and as far west as the Rocky mountains have been enrolled in the camp register during the season of '99.

BETTER ALL-AROUND PLAY.

LOUISVILLE, August 30.—The Colonels, with Cunningham on the slab, took the last game of the series from the Phillies by better all-around play. Attendance, 700. Score:

Table with columns: Louisville, Philadelphia, AB, R, BH, PO, A, E. Lists scores for both teams.

THREE GREAT DOUBLE PLAYS.

CHICAGO, August 30.—Three great double plays at critical stages enabled the Orphans to take the last game from New York to-day. All five runs resulted from errors and Doheny's wildness. Attendance, 600. Score:

Table with columns: Chicago, New York, AB, R, BH, PO, A, E. Lists scores for both teams.

THE BOSTONS BATTED.

CLEVELAND, August 30.—Although the playing of the Cleveland team was good as a whole, the Bostons batted out runs almost at will and won. In the third inning Umpire McCarry got in the way of a play, and as a result Duffy was declared out. Duffy would have protested the game had his club lost. Score:

BOXING.

Two important matches were made by the Coney Island club Monday night. Will Curley, 118-pound champion of England, was matched to fight George Dixon in October, and Oscar Gardner and "Ben" Jordan, feather-weight champion of England, to fight in November.

The preliminary bout to the Martin Flaherty-Oscar Gardner fight, which takes place at the Broadway A. C. on September 22, will be between Marty McEue and "Crocky" Boyle, of Philadelphia, and is limited to twenty rounds.

Jack McClelland is down to weight for his twenty-round contest with Marty McEue before the Pelican A. C. Brooklyn, Saturday night.

The Buck Stealer-George Carl contest at the Drovers' Home club rooms last Monday evening will be warm while it lasts. Benwood sports are greatly interested in it.

FIRST TWO-MINUTE RACE.

Ever Scheduled Won Yesterday by Joe Patchen.

HARTFORD, Conn., August 30.—The big event of the grand circuit meeting at Charter Oak Park to-day was the first two minute race ever scheduled. There were five starters, John R. Gentry drawing out after a contest in which there was a dispute between the park management and the owner of the horse. The trouble rose over a misunderstanding as to whether the event was a two in three or a three in five. It was a three in five, and Gentry drew his horses, the management protesting and leaving the matter in the hands of the judges, who will decide after taking evidence. The starters were Frank Bogash, Anacanda, Chehalis, Joe Patchen, and Searchlight.

Searchlight was very unsteady, breaking badly and was never in any hopes of winning a heat. Anacanda, the favorite, 100 to 65 for Patchen, 50 for Searchlight, led until the stretch in the first heat when Joe Patchen came in under the whip and a hard push took the mile in 2:04 1/2.

The second heat was Patchen's all the way and the final heat which took the race in 2:03 1/2, equalled the track record, made in 1897 by Star Pointer in an exhibition race with Gentry. There was the greatest enthusiasm. After the first heat Joe Patchen sold 3 to 1, with Bogash 3 to 1 that he would get inside of the money.

The unfinished race of Tuesday, the 2:13 trot, was unfinished, Dollado Wilkes and Letah S, each taking a heat. The latter was the favorite. Summary:

The Old Hickory 2:13 trot, purse \$3,025.—Peter the Great, 1; Charley Herr, 2; Fred Kohl, 3; Norvet, 4; Tudor Chimes, 5; Ed Lock, 6; Queen Alfred, 7; Bonnatella, 8; Ruby, 9; Piloten, 10; time, 2:10; 2:10 1/2; 2:10 3/4.

Captain Jack won the 2:10 trot after a struggle, Creceus being the favorite, 50 to 10.

The 2:17 trot was unfinished, Dollado Wilkes and Letah S, each taking a heat. The latter was the favorite. Summary:

The Old Hickory 2:13 trot, purse \$3,025.—Peter the Great, 1; Charley Herr, 2; Fred Kohl, 3; Norvet, 4; Tudor Chimes, 5; Ed Lock, 6; Queen Alfred, 7; Bonnatella, 8; Ruby, 9; Piloten, 10; time, 2:10; 2:10 1/2; 2:10 3/4.

The 2:17 trot, purse \$1,500, (unfinished)—Dollado Wilkes, 1; Letah S, 2; Pilot Evans, 3; Farris, 4; Whitney, 5; Dr. Pitzer, 6; Loma, 7; Myrtle Boy, 8; time, 2:12 1/2; 2:13.

PRESIDENT DIAZ.

Expected to Visit This Country in the Fall.

NEW YORK, August 30.—William P. Wilson, assistant United States treasurer, of Chicago, and secretary of the general committee in charge of the laying of the corner stone of the new federal building at that place together with George D. Cook, also of Chicago, is in the city for a few days.

Mr. Cook, who is an old and intimate friend of President Diaz, of Mexico, recently wrote him urging his acceptance of the invitation to the corner stone ceremonies at Chicago. The president has replied to Mr. Cook expressing his pleasure at the receipt of the invitation and saying that he would try to obtain the consent of the Mexican congress.

This is substantially the same reply that he gave to the committee sent to the City of Mexico from Chicago a short time ago, and it is regarded by Mr. Cook and Mr. Williams as almost certain that the Mexican executive will attend, unless they without doubt that congress will assent.

Yokohama's Big Fire.

YOKOHAMA, August 18, Via Victoria, August 30.—The greatest fire in the history of Yokohama occurred August 15, when a square mile of buildings was destroyed and sixteen lives lost. The property loss is estimated between five and six millions. The famous theatre street was destroyed from end to end. The owner of the house where the fire started was killed by a mob.

BELLAIRE HAPPENINGS.

Matters of Interest in the Metropolis of Belmont County.

The residents of the First ward have been treated to a genuine sensation the past few days. The matter has been kept very quiet for three days in hopes that the criminal might be apprehended. It is a case of criminal assault. The victim is Miss Edna Yarling, the ten-year-old daughter of Fred Yarling, and Chris Baker, residing in the First ward and employed at the steel works, is the accused. The particulars as near as can be learned are as follows: Baker works at the steel plant, and when on night turn his wife would get the little Yarling girl to sleep with her for company. On Monday morning when Baker returned home the girl was in bed asleep. He got in bed with her and committed the assault, and then made the girl keep quiet by threats, and nothing was heard of it until next evening, when Mrs. Baker went to get the girl to stay with her, but she refused and then told her father a pitiful story of what had happened. Mr. Yarling was greatly enraged and started out to hunt Baker, but he had disappeared and no trace of him could be found. Baker came here some time ago from Findlay, where he was a glassworker, and went to work at the crystal glass factory at Bridgeport, but he was a hard drinker and could not hold his job, and recently secured employment at the steel works. The police have taken up the case and expect to locate him.

Childless people often drift apart.

The wife seeks to satisfy her heart craving, by society, "Always roaming with a hungry heart." The husband finds the home dull and goes to the club. The happiest homes are those which echo to the love and laughter of childish voices.

The conditions which preclude motherhood are often remediable. They grow out of a diseased or enfeebled condition of the delicate female organs. When these conditions are removed, and vitality and elasticity given to the organs of motherhood, it frequently follows that the home is gladdened by the coming of a healthy, happy infant.

There is no other medicine that will do as much for women as Dr. Pierce's Favorite Prescription. It dries up disagreeable discharges, allays inflammation, heals ulceration, cures female weakness, and establishes the delicate womanly organs in a state of perfect health and vigor.

There is no alcohol, opium or other narcotic in "Favorite Prescription."

Any sick woman may consult Dr. R. V. Pierce, of Buffalo, N. Y., by letter, free. Every letter is held as strictly private and sacredly confidential.

"I had been a sufferer from uterine trouble for about three years, having two miscarriages in that time, and the doctors that I consulted said I would have to go through an operation before I could give birth to living children," writes Mrs. Blanche E. Evans, of Parsons, Luzerne Co., Pa. "When about to give up in despair I bought a bottle of Dr. Pierce's Favorite Prescription, and after taking it for a few days I gave birth to a bright baby girl who is now four months old and has not had a day of sickness. I cannot say too much in praise of Dr. Pierce's Favorite Prescription."
